NOTICE

To all Computer Science and Engineering students, from 1st to 4th Year:

This serves as a general notification regarding the collection of C.A.N. (Computer Association NERIST) semester fees. The CAN committee will commence the collection of fees amounting to Rs. 350.

Please be informed that the CAN fee, was originally set at Rs. 600. But, due to the recent restriction placed on the amount that can be collected for department fund at Rs.350. We would like to request for the final year seniors to contribute to this year's fee collection. As, unlike other departments, our department lacks base module students due to which the fund collected most likely wouldn't be sufficient to hold all the events.

Henceforth, the aforementioned students are kindly urged to settle the outstanding balance of **Rs 350** on or before **05-08-2024** without exception.

The payment should be made to the persons mentioned below:

1. **ARAV GUPTA**(6000051150, Block D, Room-08)
2. **KANICA TRIPURA**(8794538037, Subansiri Main, Room-16)

For the online payment, please refer to the link given below:
